**CERTIFICATION OF RESIDENTIAL POOL PROTECTION DEVICE INSTALLATION**

**Document for the homeowner to certify that the following protection device has been installed at a particular address that is hereunder listed:**

Site Address \_\_\_\_\_ Lot \_\_\_\_\_ Block \_\_\_\_\_ Subdivision \_\_\_\_\_

Name of Company/ Individual that performed pool alarm installation. \_\_\_\_\_

I certify that the following protection device is installed between all doors leading from the house and garage into the pool area.

All doors with direct access to the pool yard through the wall shall be equipped with an alarm which produces an audible warning when the door and its screen, if present, are opened. The alarm should sound continuously for a minimum of 30 seconds immediately after the door is opened and be capable of being heard throughout the house during normal household activities. The alarm shall automatically reset under all conditions. The alarm should be equipped with a manual means, such as a touchpad or switch, to temporarily deactivate the alarm for a single opening. Such deactivation shall last not more than 15 seconds. The deactivation switch(es) shall be located at least 54 inches above the threshold of the door. **The alarm shall be listed and labeled in accordance with UL 2017.**
